IRS Tax Problems

As Enrolled Agents, we are authorized to represent you before the IRS or any other tax agency. We set up payment arrangements, if you qualify, prepare Offers and Compromise to pay a percentage of the taxes owed (can be as little as 10¢ on the dollar). Let us eliminate your stress by eliminating the problem.

Tax Services

- Income tax Preparation for Individuals, Corporations, LLC's, Trusts, Partnerships
- Tax Planning and Consulting – Assist in maximizing your deductions for the individual as well as the business. The S.E. Individual's tax rate can be in excess of 40%. Every lost dollar costs you at least 40 cents.

Budgets, Forecasting, Cash Flow

Businesses need to keep a tight control, especially during an economic downturn. With regular financials and evaluations, you can make adjustments quick enough to survive these difficult times.

Loan Applications

SBA, Real Estate, Business Lines of Credit, etc. Qualifying for loans is not easy. We make sure that you look as strong as possible.

Divorce Planning Services

The subject of Divorce is not a pleasant subject. But if you know that it is inevitable, then planning ahead is a must. Protecting your assets as well as your children's best interest is key. For those that suspect their spouse has hidden assets or income a forensic accounting can also be done.

Loss Prevention & Security Controls

As your company grows the possibility of internal theft increases. Losses of inventory or misappropriation of funds is more common than you think. We can assist in locating the potential problems and set up these internal controls.

Real Estate Investment

Are you looking for an investment or need investors for a project? Then please give us a call.

As investors ourselves, we know how to evaluate properties. We are involved in Development projects as well as rental properties.

In addition should you decide to sell a property we will guide you in order to pay as little tax as possible on the sale.

Customized & Personal Services

We are here to make your life easier. Every company and entrepreneur is as individual as their business. Why shouldn't our service be as well? We are just a phone call away to answer your questions.
