Your Bay Area Video Production Solution

PRODUCTION *City*

Where marketing, training, and corporate communications concepts become reality through the Power of Video

On Budget, On Time, Every Time.

- Complete video production from script writing through final duplications
- Film crews and editing only services available
- Video shot on location at a customer facility
- Video content for PowerPoint sales presentations
- Marketing and training DVD's
- Streaming video for internet broadcast
- Commercials, Infomercials & TV content development

Production City has produced corporate videos in the bay area for over 10 years with leading companies and institutions such as: Varian Medical Systems, Comerica Bank, SBC, Semiconductor Manufacturing Assoc, Sun Microsystems, Connetics Corp., Stanford University, Adobe, Lawrence Berkeley National Lab, San Mateo School District and Realtor.com.

We produce video the way you need it.
