Tim Risch Addresses the Issues

Downtown

"We have the opportunity to rebuild our downtown streets and create one of the Bay Area's most exciting and vibrant downtowns. We must not compromise the quality of life for existing residents."

Public Safety

"The best way to support public safety is to protect Sunnyvale's long term financial health through balanced budgets and long-term planning."

Neighborhoods

"My first priority is keeping Sunnyvale a great place to live. I will continue to listen to residents and work to maintain the uniqueness of Sunnyvale's residential neighborhoods."

Fiscal Responsibility

"I will ensure that your tax dollars are wisely spent. Maintaining the long-term health of our City's financial position is one of my most important objectives."

Economic Development

"We must continue to encourage a healthy economy. Working in cooperation with the business community, I will ensure that Sunnyvale remains a key center for commerce in our region and the world."

Tim's Priorities

Caring for Our Seniors

Tim pays special attention to the needs of our Senior Population. As a Councilmember, Tim ensured that our Senior Center was constructed and opened on time. Tim also will work to ensure that City services, recreation facilities, and activities for Seniors are available and maintained.

Commitment to Public Safety

Tim has been a leader in providing enhanced funding for emergency medical services in our City and ensuring funding to maintain our excellent police and emergency response services. Tim graduated from the Sunnyvale Community Public Safety Academy in 2001 and his wife is Volunteer Coordinator for Special Events for the Sunnyvale Department of Public Safety.

Preserving Our Heritage

As a Councilmember Tim worked to see the completion of our new Orchard Heritage Park Interpretive Exhibit and the relocation of the historic Bianchi Barn at our Community Center. Tim also strongly supports the proposed Murphy House Museum and has worked to secure funding for its future construction.

Nurturing Our Youth

Sunnyvale is known for its family-friendly environment and Tim has been a key leader in promoting new youth activities, such as our Fun on the Run program. Tim recognized the importance of Sunnyvale's new Skate Park to the youth of the community and strongly supported it from the day it was first proposed.

**"A Continuing
Commitment
to Our Community"**

Fighting Traffic

Tim has ensured that funding for transportation improvements have continued to come to our City. He also has worked cooperatively with businesses to develop unique solutions to reduce the number of cars on our streets and roads.
